OPTIONAL ACCESSORIES

**Low Pressure Fuel Solenoid**
- Positive flow shut off valve
- Allows generator to run unattended

**Two-Wheel Dolly Kit**
- Fits 6kW and 9kW
- Fold down handle
- 4-wheel dolly kit
  - standard on HPS12

**Emergency Transfer Switch**
- Outdoor enclosure
- Premium circuit breaker load center

**Generator Cover**
- Made of heavy canvas
- Weather resistant
- Large cover for 12kW
- Small cover for 6kW and 9kW

**Maintenance Kit**
- 10W-30 oil
- Sta-bil fuel stabilizer
- Bosch Platinum spark plug
  - Air filter

**Battery**
- Interstate 300 CCA
- 6-month free replacement

**Battery Charger**
- Smart 3 stage 1.5A trickle charger

---

**NOTE:**

- (1) Based on gasoline fuel, derate 10% for LP and 20% for NG.
- (2) Capacitor start motor.
- (3) Battery NOT included; see individual spec sheets for battery requirements.
- (4) HPS12000HE dimensions include installed wheel kit.
- (5) Prime Power Warranty-120 days. Engine warranty administered by engine manufacturer. Contact your local Honda or B&S service center for warranty assistance. WINCO Inc. can assist in locating appropriate engine warranty support.

---

*HPS6000HE is not EPA certified for LP gas use.*

---

**An American Company**

We produce our products in our 200,000 ft² facility located in Le Center, Minnesota, equipped with modern engineering, fabrication and assembly capabilities.

---

**Commercial Engines**

Honda GX and Briggs & Stratton Vanguard engines are known for their dependability and performance. Our multi-fuel generators have gone through an extensive application review to maintain a full engine warranty.

---

**Rugged Design**

Engineered and built tough with steel and powder coat paint.

---

**EPA Approved**

EPA approved for use of gasoline, Natural Gas, and Propane.

---

**Portable**

The convenience of a portable generator with the versatility of multiple fuel sources. No portable unit is better prepared for when life happens.
