

LET US MANUFACTURE FOR YOU!

## CUSTOM PRODUCTION CAPABILITIES

Winco Generators is a leading manufacturer of generators, originally founded in 1927. Throughout the years we have grown and adapted to meet many unique customer needs. Since 1977, we have been manufacturing in our factory sprawling on 17.5 acres in Le Center, MN. Today, we want to partner with you to help produce your custom products and components.

We offer **machining**, **metal fabrication**, **painting**, **wiring**, and **assembly services**. WINCO is committed to exceeding customer expectations and creating quality solutions per your precise specifications, quality standards, and on-time delivery deadlines.

With the amazing Manufacturing and Engineering Team on-site, we are well equipped to serve a diverse customer base in a variety of industries that include: agriculture, manufacturing, construction, and many more. Contact a WINCO Account Manager by phone or email to get your project started.
